Description :

PDF-62940 | Sometimes, all that is needed to change someone's mind is a change of perspective. Flying cameras, freed from the constraints of gravity, redefine how we perceive the world we live in and reveal previously unseen moments of beauty. Very rarely does a new technology level a playing field in an art form, allowing unknown talents to share headlines with established artists. Drones are one of these ... *Above the World: Earth Through A Drone's Eye*
