Description :

PDF-dc19b | A lavishly illustrated survey of American Art Deco architecture. Art deco architecture flourished in large cities and small towns throughout America in the 1920s and 1930s. Many of the best examples office buildings, movie theaters, hotels, and churches are still in use. Deco architects, artists, and designers drew on European styles but were most committed to a style that grew organically, as the... *American Art Deco: Architecture and Regionalism*
