Description :

PDF-216b1 | Should the practice of architecture be constrained to one set model: a singular creative process between architect and client? Practice is evolving; the current tired models serve only a select few – wealthy individuals, big corporations, and big government. Architect + Entrepreneur Volume 2 challenges the foundations of traditional practice and asks: + In what ways can we hack our craft to serv... *2: Architect and Entrepreneur: A How-to Guide for Innovating Practice: Tactics, Models, and Case Studies in Passive Income (Volume 2)*
