Description :

PDF-89ee1 | "When nature inspires our architecture-not just how it looks but how buildings and communities actually function-we will have made great strides as a society. Biophilic Design provides us with tremendous insight into the 'why,' then builds us a road map for what is sure to be the next great design journey of our times." -Rick Fedrizzi, President, CEO and Founding Chairman, U.S. Green Building Coun... *Biophilic Design: The Theory, Science and Practice of Bringing Buildings to Life*
