Description :

PDF-e3a1b | Borderwall as Architecture is an artistic and intellectual hand grenade of a book, and a timely re-examination of what the physical barrier that divides the United States of America from the United Mexican States is and could be. It is both a protest against the wall and a projection about its future. Through a series of propositions suggesting that the nearly seven hundred miles of wall is an op... *Borderwall as Architecture: A Manifesto for the U.S.-Mexico Boundary (Ahmanson-Murphy Fine Arts Books (Hardcover))*
