Description :

PDF-21e5f | This dazzling exploration of the work of renowned horologist Breguet is also a fascinating look at what makes watches and other timepieces tick. Abraham-Louis Breguet invented many of the standard components of today's most prestigious watches, earning the title "The Father of Modern Horology." The self-winding watch, the gong spring, the first shock-protection device, and the enameled dial—all... *Breguet: Art and Innovation In Watchmaking*
