Description :

PDF-dae25 | The first significant history of human intervention on the landscape since Geoffrey Jellicoe's *Landscape of Man*, originally published in 1975. In many ways the history of civilization is a history of humans' relationship with nature. Starting from the dual inclination to clear land for cultivation and to enclose space for protection?the forest clearing and the walled garden?there emerges a v... *The Course of Landscape Architecture: A History of our Designs on the Natural World, from Prehistory to the Present*
