Description :

PDF-8af8f | Fashion has always been a cultivating force. And during the 19th century? a time of great change? fashion was a powerful component in the development of American society. Through dress, average individuals could step beyond class divisions and venture into the world of the elite and privileged. Beginning in 1840, with the advent of the daguerreotype, that moment could be captured for a lif... *Dressed for the Photographer: Ordinary Americans and Fashion, 1840-1900*
