Field Guide to Environmental Engineering for Development Workers: Water, Sanitation, and Indoor Air PDF

by James R. Mihelcic : **Field Guide to Environmental Engineering for Development Workers: Water, Sanitation, and Indoor Air**

ISBN : #0784409854 | Date : 2009-07-01

Description :

PDF-8f67c | Throughout the world, and even in the United States, engineers are tackling the challenges of sustainable development and public health - challenges that engineers are uniquely qualified to address. Yet engineers working abroad on development projects often lack the knowledge and information to design, plan, construct, operate, and maintain technology that is culturally, economically, and geograph... *Field Guide to Environmental Engineering for Development Workers: Water, Sanitation, and Indoor Air*
