Description :

PDF-453f0 | The history of clothing begins with the origin of man, and fashionable dress can be traced as far back as 25,000 years ago. Recent scientific explorations have uncovered graves in northern Russia with skeletons covered in beads made of mammoth ivory that once adorned clothing made of animal skin. The Ancient Egyptians, Greeks, and Romans each made major contributions to fashion's legacy from their... *Historical Dictionary of the Fashion Industry (Historical Dictionaries of Professions and Industries)*
