Description :

PDF-6978d | Why did the Victorians drape their buildings in elaborately ornate decoration? Why was the Arts and Crafts movement so popular with the American middle class at the end of the 19th century? Why did Modernism replace traditional architectural styles after World War II? Mark Gelernter provides fresh answers to questions like these, convincingly showing how buildings express powerful cultural forces.... *A History of American Architecture: Buildings in Their Cultural and Technological Context*
