Description :

PDF-5a015 | When Tom Faraday joined internationally renowned CERUS Biotech, he thought he'd landed his dream job. A chance to work with their famous CEO, William Bern, perhaps to change the world. But Tom has found himself in an organisation in crisis. The company bet the house on a radical neural interface project, only to be blocked by a government with reasons of its own. Now CERUS is running on vapour a... *Interface: Technology Will Change Us*
