Description :

PDF-b3bc4 | You are not offering testimony to the existence of something, you are bringing something into existence?something that did not exist before, and that would not exist if it were not for you. ~Guy Tal The first step to creating an expressive photograph happens before you even click the shutter: it is the act of visualizing an image in your mind's eye. Once composed and captured, the data recorded... *The Landscape Photographer's Guide to Photoshop: A Visualization-Driven Workflow*
