Description :

PDF-5f86c | The classic book about the clothes we wear and what they say about us. Even before we speak to someone in a meeting, at a party, or on the street, our clothes often express important information (or misinformation) about our occupation, origin, personality, opinions, and tastes. And we pay close attention to how others dress as well; though we may not be able to put what we observe into words, we u... *The Language of Clothes*
