Description :

PDF-c3912 | Since the advent of digital video technology, 'dance on camera' has become an increasingly popular, and important genre of dance. This is the first ever 'how-to' manual for choreographers, dancers and students who want to make dance films. Specifically written from a personal experience of a complete lack of printed material to help beginners get started, Katrina McPherson has produced an... *Making Video Dance: A Step-by-Step Guide to Creating Dance for the Screen*
