Description :

PDF-7ace1 | A unique dual aerial portrait of Los Angeles and New York, in a stunning case of compare and contrast from a bird's-eye point of view. LA NY is a dazzling visual tale of two cities, Los Angeles and New York, as seen from the air. Photographed straight down at a ninety-degree angle to emphasize the particular patterns of place, how the urban grid adapts to local topography, and how the topography i... *LA NY: Aerial Photographs of Los Angeles and New York*
