Description :

PDF-fa98e | In the period dominated by the triumphs of scientific rationalism, how do we account for the extraordinary success of such occult movements as astrology or the revival of witchcraft? From his perspective as a historian of religions, the eminent scholar Mircea Eliade shows that such popular trends develop from archaic roots and periodically resurface in certain myths, symbols, and rituals. In six... *Occultism, Witchcraft and Cultural Fashions: Essays in Comparative Religions*
