by David Company : **The Open Road: Photography and the American Roadtrip**

ISBN : #1597112402 | Date : 2014-09-01

Description :

PDF-479d6 | After World War II, the American road trip began appearing prominently in literature, music, movies and photography. As Stephen Shore has written, Our country is made for long trips. Since the 1940s, the dream of the road trip, and the sense of possibility and freedom that it represents, has taken its own important place within our culture. Many photographers purposefully embarked on journeys across the country. *The Open Road: Photography and the American Roadtrip*
