ISBN : #1884829597 | Date : 2002-03-03

Description :

PDF-9406e | This book is recommended reading for planners preparing to take the AICP exam. In this new book, the author bridges the gap between theory and practice. The author describes an original approach-Feedback Strategy-that builds on the strengths of previous planning theories with one big difference: it not only acknowledges but welcomes politics-the bogeyman of real-world planning. Don't hold your n... *Planning Theory for Practitioners*
