Description :

PDF-a3cd5 | Points + Lines: Diagrams and Projects for the City is a book of New York architect Stan Allen's writings and projects that propose new architectural strategies for the contemporary city. Organized in the form of a user's manual, it juxtaposes speculative texts outlining Allen's general principles with specific projects created by his office. The book's title refers to this interplay of practice an... *Points and Lines: Diagrams and Projects for the City*
