ISBN : #9783836525084 | Date : 2011-10-28

Description :

PDF-b8ee7 | Back to the future: Visionary architecture in postwar Japan “Once there was a nation that went to war, but after they conquered a continent their own country was destroyed by atom bombs... then the victors imposed democracy on the vanquished. For a group of apprentice architects, artists, and designers, led by a visionary, the dire situation of their country was not an obstacle but an i... *Project Japan: Metabolism Talks...*
