Description :

PDF-b9646 | The kimono is an iconic garment with a history as rich and colourful as the textiles from which it is crafted. Deeply associated with Japanese culture both past and present, it has often been thought of as a highly gendered, rigidly traditional and unchanging national costume. This book challenges that perception, revealing the nuanced meanings and messages behind the kimono from the point of view... *The Social Life of Kimono: Japanese Fashion Past and Present (Dress, Body, Culture)*
