Description :

PDF-ed1cf | As both an art form and a universal language, the photograph has an extraordinary ability to connect and communicate with others. But with over one trillion photos taken each year, why do so few of them truly connect? Why do so few of them grab our emotions or our imaginations? It is not because the images lack focus or proper exposure; with advances in technology, the camera does that so well the... *The Soul of the Camera: The Photographer's Place in Picture-Making*
