Description :

PDF-22d51 | There has been a revolution in urban transportation over the past five years—set off by start-ups across the US and internationally. Sleek, legible mobility platforms are connecting people to cars, trains, buses, and bikes as never before, opening up a range of new transportation options while improving existing ones. While many large city governments, such as Chicago, New York, and Washington, ... *Start-Up City: Inspiring Private and Public Entrepreneurship, Getting Projects Done, and Having Fun*
