by Annie R. Pearce : **Sustainable Buildings and Infrastructure: Paths to the Future**

ISBN : #0415690927 | Date : 2012-03-22

Description :

PDF-d6624 | Construction is one of the biggest industries in the world, providing necessary facilities for human prosperity ranging from the homes in which we live to the highways we drive, the power plants that provide energy for our daily activities, and the very infrastructure on which human society is built. The construction sector, including the building sector, has among the largest potential of any ind... *Sustainable Buildings and Infrastructure: Paths to the Future*
