Description :

PDF-f3e53 | Two hundred million years ago, these self-contained creatures shared Earth with the dinosaurs. Yet long after the demise of their contemporaries, turtles live on. It is not surprising, then, that they have been associated with strength, endurance and longevity throughout history, however slowly they may move. In *Turtles 2018*, world-renowned photographers catch an intriguing array of these ancient... *Turtles 2018*
