Description :

PDF-e9666 | The present moment is a knife-edge, and someone's discovered how to wield it. Nathan Beckett sees everything just before it happens. While normal human eyesight predicts motion by a tenth of a second, Beckett's ability is nearly thirtyfold. Now, a covert agency wants to turn him into a weapon. Beckett refuses until he learns his choice might risk the life of a mother he barely knows. As the fo... *Vector Rising*
