Description :

PDF-389c5 | William Eggleston's Guide was the first one-man show of color photographs ever presented at The Museum of Modern Art, New York, and the Museum's first publication of color photography. The reception was divided and passionate. The book and show unabashedly forced the art world to deal with color photography, a medium scarcely taken seriously at the time, and with the vernacular content of a body o... *William Eggleston's Guide*
