by Philip Langdon : **Within Walking Distance: Creating Livable Communities for All**

ISBN : #1610917715 | Date : 2017-05-16

Description :

PDF-38263 | For five thousand years, human settlements were nearly always compact places. Everything a person needed on a regular basis lay within walking distance. But then the great project of the twentieth century—sorting people, businesses, and activities into separate zones, scattered across vast metropolises—took hold, exacting its toll on human health, natural resources, and the climate. Living whe... *Within Walking Distance: Creating Livable Communities for All*
