Description :

PDF-0e345 | With their haunting song and elusive nature, wolves have long evoked both fear and admiration in humans, their only predator. They are bold and intelligent but also playful, profoundly social, and fiercely dedicated to their family, the pack. In *Wolves 2018*, world-renowned nature photographers celebrate the beauty of these magnificent creatures, offering us a rare glimpse of wolves in their natur... *Wolves 2018*
